Traditions In Excellence

VCS Families:

As most of you are aware, VCS will be using multiple resources to support the education of your child during the shutdown including online resources. We understand that many families likely have access to a computer laptop or tablet, however, we are committed to providing Chromebooks to all of our students who are in need of a device to access instruction. Below you will find the schedule for Chromebook checkout at each building. If you need a Chromebook and cannot come during the scheduled times, please email your child's principal, and he/she will work with you to get a Chromebook. We understand that some of you may not have internet access. If this is the case, please contact your child's principal as we are in the process of securing options for internet access. If you have any questions, please reach out to your child's principal.

Chromebook Checkout Schedule (available at the building your child attends)

- Monday - 11:00 a.m. - 6:00 p.m.
- Tuesday - 7:00 a.m. - 2:00 p.m.

For students in grades K-8, a parent will be required to check-out the Chromebook.
